#### OBJECTIVES / KEY BENEFITS

Iskandar Malaysia celebrates its 10th year anniversary in 2016 and has been at the forefront of construction innovation in Malaysia. In line with this achievement, this conference aims to impart delegates with the latest trends and innovation in Construction Law.

A plethora of current and relevant issues relating to innovation in construction law and practice will be brought to the fore by a group of highly experienced practitioners in the field of construction law and practice.

The conference will include a review of the use of Building Information Modelling in Malaysia, the need for a Delay and Disruption Protocol for Malaysia, a review of the Construction Industry Payment & Adjudication Act 2012, Alternative Dispute Resolution updates in both Singapore & Malaysia and a discussion on how Iskandar Malaysia can continue to be a leader in innovation in the construction industry in Malaysia.
